UN Support to Mainstreaming SDGs (MAPS Approach)

MAPS stands for **Mainstreaming, Acceleration and Policy Support**.

MAPS was adopted as a common approach of support to the implementation of the 2030 Agenda for Sustainable Development at the country level.
### Mainstreaming
- Landing SDGs at national & local levels
- Align UN programming approaches to SDGs

### Acceleration
- Focus on priority areas
- Integrated approach, including synergies and trade-offs
- Bottleneck assessment, financing and partnerships, and measurement

### Policy Support
- Relevant support made available in a coherent, cost-effective and timely manner

### 1. Partnership
### 2. Accountability
### 3. Data
MAPS Mission in Azerbaijan

Reviewed 54 Policies, State Strategies and Roadmaps

It has also developed a prototype for a “Rapid Integrated Policy Assessment”, a tool that helps countries assess their readiness for SDG implementation by reviewing national plans against the SDGs.
To what extent Plans and Strategies cover Global SDGs?
